

Dear Ellen,

Even though your son, Jacob, has a great disability, you can still come and teach us how to help charities and how to fundraise. You have created the charity, Jacob's Ladder, and taught us about other charities, in Project Give Back. You are truly incredible.

Also, Project Give Back has taught me how to fundraise, be nice, make happiness, and learned about the charity I chose which was the Terry Fox Marathon of Hope foundation. I bet everyone in 4E became nicer every second you visited us. We have learned so much from you.

I will try to fundraise for the charity I chose and for your charity, Jacob's Ladder. I will also have Echo Age parties. I will keep trying to make the world a better place.

I and 4E will miss you so much. We will remember you for the rest of our lives. Long live Jacob's Ladder and Project Give Back!
